Nationality

Romanian

Birth Date

11 June 1978

Sex

Male

Military Service

Satisfied

Aimed Work Field / Domain

biologist

Professional Experience

Period
Occupied position
Activities and main responsibilities
Name and Address of the Employer
Activity Type or the Activity Sector

august 2009 until present
Biologist
Coordinates research and monitoring actions of biodiversity
EARomania - <http://www.earomania.com/>
Biologist

Period
Occupied position
Activities and main responsibilities
Name and Address of the Employer
Activity Type or the Activity Sector

October 2006 until September 2009
Biologist
Coordinates research and monitoring actions of biodiversity of Retezat National Park territory, approves possible studies made on the park territory, member of the Scientific Council, member in the LIFE project implementation team (scientific coordinator) LIFE05 NAT/RO/000165
Retezat National Park Administration
Nușoara (Gruni Area), comuna Sălașu de Sus, 337420, Hunedoara, Romania
Biologist, responsible with the biodiversity conservation

Period
Occupied position
Activities and main responsibilities

November 2006 until present
Project Coordinator (in cooperation with Vincent KALKMAN)
Indexing literature and collecting new data for the completion of the data base

Name and Address of the Employer Activity Type or the Activity Sector	WWF-The Netherlands Completion of data base, collection of new data
Period Occupied position Activities and main responsibilities Name and Address of the Employer Activity Type or the Activity Sector	June - October 2006 Specialist Consultant Official trips in the field with the purpose of gathering information for the assignation of Natura 2000 sites, completion of forms for the assignation of Natura 2000 sites WWF-DCP (World Wide Fund for Nature International – Danube-Carpathian Program), Șirul Beethoven 1, 500123, Brasov, Romania Biology Specialist Consultant
Education	
Period	October 2009 – present
Qualification / Obtained Degree	Doctoral school in progress
Main disciplines studied / Professional abilities achieved	Electronic microscopy Specific and priority Romanian habitats Classic and modern taxonomy Methods of research and elaboration of scientific papers
Name and type of the Education Institution	„Babeș-Bolyai” University Cluj-Napoca, Biology and Geology Faculty
Level in the national or international classification	ISCED 5A
Period	October 2007 – june 2008
Qualification / Obtained Degree	Master degree ongoing: Systematic Ecology and Conservation of Biodiversity, final paperwork “Romanian Odonata” (graded with maximum 10)
Main disciplines studied / Professional abilities achieved	Systematic Ecology Principles Statistic methods in ecology Ambient Geology with urban elements Europe’s Biogeography and conservation of biodiversity Ethics in environment problems and genetics Evaluation of productive and support capacity of ecological
Name and type of the Education Institution	„Babeș-Bolyai” University Cluj-Napoca, Biology and Geology Faculty
Level in the national or international classification	ISCED 5A
Period	October 2001 – February 2006
Qualification / Obtained Degree	Bachelor in Biology, final paperwork: "ODONATA order in Banat region- biogeographic study" (graded with maximum 10)
Main disciplines studied / Professional abilities achieved	Systematic Botany Invertebrate Zoology Vertebrate Zoology Plants Physiology Animal Physiology Statistical analysis with applications in biology Ecology Anatomy Etology Ornithology Entomology
Name and type of the Education Institution	West Timisoara University, Chemistry-Biology-Geography Faculty
Level in the national or international classification	ISCED 5A

Period	September 1992 – June 1996									
Qualification / Obtained Degree	High school leaving exam, Forestry attestation									
Main disciplines studied / Professional abilities achieved										
Name and type of the Education Institution	Forestry High school Timișoara									
Level in the national or international classification										
Abilities and personal capacities										
Mother Tongue	Romanian									
Foreign Languages										
Auto evaluation	Understanding				Speaking				Writing	
European Level (*)	Listening		Reading		Conversation participation		Oral speach		Written expression	
English Language	C1	Experienced User	B2	Independent User	B2	Independent User	C1	Experienced User	B2	Independent User
Language										
	<i>(*) The European Common Background Level of Reference for Foreign Languages</i>									
Capacities and Social Abilities	<p>Team spirit: obtained from university through volunteering experiences as well in the work field</p> <p>Communication capacity: obtain as a result of participating at numerous lection, seminars and symposium</p>									
Capacities and Organizational Skills	<p>Organizational skill: obtained as a result in participating/coordinating some projects and volunteering experiences</p> <p>Stress resistant as well prolonged efforts</p> <p>Experience in working with projects: participation/coordination</p>									
Capacities and Technical Skills	Hardware experience: servicing computers									
Computer Skills and Abilities	<p>Understanding of the Windows Operating Systems, and HW/SW installation.</p> <p>Ability to diagnose and resolve PC Hardware problems</p> <p>Experienced with Microsoft Office (Word, Excel, Powerpoint) and Adobe (Photoshop, InDesign, Illustrator)</p> <p>Basic GIS knowledge</p>									
Artistic Abilities and Skills	Photography									
Other Skills and Capacities	Hobbies: literature, music, movies									
Driving license	none									

Additional Information		References can be provided upon request
Annexes		annex 1: other experiences/affiliations annex 2: articles/books/published photographs

Annex 1

Other experiences:

- December 2000 – February 2006 worked at SC Solectron SRL Timișoara (technician test – ~4 years, other positions)
- October 2000 – December 2000 worked as forest technician
- 1996 - 1998 experience in ICAS: Sylviculture and hunting laboratories

- Linguistic certificate of competence for English language – West Timisoara University

- volunteering at different parks (national and natural): Retezat, Lunca Mureșului, Vânători-Neamț, Nerei-Beușnița Gorges, Domogled-Cerna Valley, Cefa (future park) and reservations Satchinez Swamps, Virgin Forest from Runcu-Groși (natural capital inventory: entomology and ornithology)
- involved in the European project 'Atlas of European dragonflies' lead by European Invertebrate Survey
- ringing camps with Milvus Group
- education as instructor at the Environment Science Preparing School (entomology and ornithology) organized by the Lunca Muresului Natural Park in 2004, 2005, 2006
- participation at different work meetings or symposiums (national and international) organized by the Romanian Lepidopterological Society , Milvus Group, Natura 2000 NGO Coalition and the Romanian Ornithology Society

Affiliations:

- member of the Romanian Ornithology Society (SOR)
- member of the Romanian Lepidopterological Society (SLR)
- member of the Milvus Group Association for Bird Protection
- member of the BIO-TEAM Association
- founding member of the “ Excelsior” Association for Promoting the Cultural and Natural Values of Banat and Crisana regions
